ACADEMIC SCHEDULING

ADD/DROP POLICY

A student may add a course during the first seven working days of a semester and/or drop a course during the first six working days of a semester. The class instructor's signature is required. For all freshmen and sophomores (less than 60 semester hours earned) both the instructor's signature **and** the signature of the Academic Advisor are required.

AUDIT OF COURSES

Students interested in auditing a course (attending classes by receiving no grade or credits) must declare their intentions by completing an *Audit of Course* card found in the Academic Records Office prior to the end of the add period.

COURSE LOAD

A student's normal academic work load is defined as 12 to 18 credit hours. Any student who wants to carry more than 18 credit hours must have a 3.0 cumulative QPA. A student who wishes to schedule more than 18 credit hours who does not have a 3.0 cumulative QPA must submit a petition to the Provost for permission.

INTENT TO GRADUATE

If you intend to graduate in May, August, or December of 1998, an *INTENT TO GRADUATE* form must be completed and submitted to the Academic Records Office by September 3, 1997.

An "F" grade in a required course must be cleared by repeating the course. Students who are repeating a course should complete a *REPEATING COURSE DECLARATION* form available in the Academic Records Office.

WITHDRAWAL FROM A COURSE

Students can withdraw from a course after the drop period and before 4:00 p.m. on the Friday of the ninth week of classes. Forms are available in the Academic Records Office. The class instructor's signature is required on the form.
